GLOSS LOGISTICS LLC

Moving Freight. Building Relationships.

Faith • Family • Service • Transportation Solutions

At Gloss Logistics, every shipment represents more than freight—it represents a customer promise. That's why we approach every opportunity with **responsiveness, professionalism, and a** commitment to doing the right thing.

Proudly Based in North Texas

IF YOU DON'T USE GLOSS, IT'S YOUR LOSS!

OUR STORY

Gloss Logistics was founded by husband-and-wife team **Gabriel and Linda Samaan**, who share a commitment to faith, family, service, and entrepreneurship.

Built on the belief that relationships matter, Gloss Logistics was created to provide dependable **transportation solutions** while delivering the level of communication, integrity, and personal attention often missing in today's logistics industry.

As Co-Owners, Gabriel and Linda have worked together to build a company that reflects their values and their gratitude for the opportunities available through hard work, perseverance, and the American dream.

Our mission is simple: help customers move freight efficiently while building long-term partnerships founded on trust, service, and integrity.

CORE FREIGHT CAPABILITIES

REFRIGERATED FOOD & BEVERAGE
Temperature-controlled freight for produce, food & beverage.

INDUSTRIAL & PROJECT FREIGHT
Flatbed, step deck and equipment-specific coordination.

MEDICAL & HEALTHCARE EQUIPMENT
Careful coordination for sensitive, high-value equipment.

SPECIALIZED & OVERSIZE FREIGHT
Heavy haul, hotshot and unique freight requirements.

DEDICATED & EXPEDITED
Time-critical, shipment-specific capacity nationwide.

REEFER • FLATBED / STEP DECK • HEAVY HAUL • HOTSHOT • EXPEDITED
